

N S F T A Forest Technician / Technologist Scholarship

Announcement

Commencing January 1, 2004, we are proud to announce that NSFTA will offer a \$1000 scholarship to a qualifying Nova Scotian student accepting enrollment in a forest technician/technologist school program.

Purpose of Awards

The purpose of any awards sponsored by the NSFTA is to:

- (1) Encourage good forestry practices relating to environment impact, wildlife habitat and sustained forest yield.
- (2) To financially assist students in achieving a forest technology education.

The NSFTA is committed to the fostering of good forestry practices in Nova Scotia.

Title of Award
