“Nova Scotia Forestry Hall of Fame Award”

Object:

- To recognize and honour the achievements of individuals who have attained prominence and distinction in any field of forestry and those who have made a major contribution to the development and advancement of forestry in Nova Scotia.
- To permanently record and give public prominence to the achievements of such individuals in a public display centre.

Classification of Members:

- There shall be only one class of membership in the Nova Scotia Forestry Hall of fame - with no distinction between professional and non-professional.

Basis of Selection:

- Candidates may be chosen on the basis of contributions in the field of Forestry Education, Research, Protection, Utilization, Harvesting, Policy or Silviculture but not limited to these fields.

Nominations & Induction:

- The selection committee will be made up of 1 RPF's and 1 Forest Technician.
- A maximum of 5 candidates can be nominated in any year.
- All nominations must be submitted by Jan. 30th.
