

## **Stanley Ingraham**

*Inducted 2010*

Stanley Ingraham worked in forestry and farming in his native Cape Breton his entire career. He was a strong advocate for the private woodlot owner working to secure fair wood prices and silviculture rates for forest owners and workers. Stanley was a founding member of many forestry organizations including the North Inverness Forest Management Group Venture; founding member of the Federation of NS Woodlot Owners Assoc.; the Group Ventures Assoc. of NS and the NS Landowners & Forest Fibre Producers Assoc. Stan was not satisfied with the status quo. He was also an active community volunteer serving with the local fire dept.; a credit union board member and as a church elder.

Graduate: Mabou High School 1965.
